THE MANAGEMENT will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor whether the result was by accident or any other cause. It is distinctly understood that every dog at this event is in the care and custody and control of his owner or handler during the entire time the dog is on the show premises. Trial Schedule

- **Check-in and Measuring** will begin at 7:15 AM
- **Walk through and briefing** will begin as soon as possible after 7:30
- **Judging** will begin as soon as possible after walk through.

IMPORTANT. Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the files section of the NADACagility@yahoogroups.com list within two weeks after the NADAC office receives them from the club. The trial results will remain on the list for at least thirty (30) days. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the www.NADACagility@yahoogroups.com list and set your settings to "no mail". You will be able to view trial results and check for any possible discrepancies, without receiving list mail. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels. Points earned at a higher level of a class, prior to the completion of the lower level title, will not be banked by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

Workers Needed!

As always, we depend upon YOU and your fellow competitors to help run our trial. To make this easy, there will be a large Worker Schedule posted at the trial site where you can sign up to work the classes and jobs that YOU prefer to work! Remember, the Worker Schedule must be filled out and workers assigned before each class can begin. Thank you in advance for the generous contribution of your time and energy!
